

## **Employers' Information**

Woodbridge Road Academy welcomes any prospective employers who would be willing to support our pupils with meaningful encounters in school. Our pupils really benefit from being able to visit workplaces and being able to relate their careers learning in the classroom to real jobs. There are many ways you can share your experience and help build our pupils' knowledge of employability skills, the workplace, the labour market, job search skills and mentoring. At Woodbridge Road Academy we have a range of activities you could join in with and we are always open to new ideas to help support our careers programmes.
